

In the tables below, you will find all major changes in the **red** table and all clarifications of existing rules in the **green** table.
 An additional change resulting in version 02.22-23 of the SBE BSc-EER is explained in the **blue** table.

MAJOR CHANGES IN THE SBE BSc-EER AY22-23

BSc	Article EER	Topic	Remarks
BSc	1.3 and 1.4	Admissions BSc	<ul style="list-style-type: none"> - Included the regulations of International Classroom and the Numerus Fixus - Included the specific mathematics requirements for BSc programmes
BSc	1.5	Matching procedure	Removed the article as students can request this matching process at the SBE, but there are no additional regulations needed.
BSc	1.7/1.8/1.9	Admissions pre-masters	<ul style="list-style-type: none"> - The admission criteria for the pre-masters are adjusted and incorporated in the BSc-EER. - A footnote is included to indicate a change of semester for the IB SBE pre-masters in AY23-24.
BSc	4.1	Registration courses and examinations	Added a paragraph concerning the waiver option with regards to a registration for courses and examinations.
BSc	4.16	Results	Added the information as included in the syllabi of educational units to clarify the (partial) results.
BSc	6.1	Authority and maximum	Adjusted paragraph 2 to clarify that it is only possible for students to receive a maximum of 60.0 ECTS credits in total in their Bachelor's study programme, not additionally to Article 6.3.
BSc	8.5	Educational Minor in BSc Fiscal Economics	Added the Educational minor in BSc Fiscal Economics to inform students this the EER of BSc Biomedical Sciences at FHML applies to this programme, including some information in which this Educational minor for BSc FE defers from the Educational minor as in the FHML EER.
BSc	9.2	Measures/sanctions in case of Fraud	Added that, contrary to the UM Regulation for Fraud and Irregularities, the SBE BoE will impose sanctions to all students involved in a group assignment, even if only one of the students committed fraud. BoE has changed the order of the wording of this article slightly.
BSc	15.2	Subjects of Appeal	Removed the double mentioning of decisions made by the BoE.
BSc	20.7 and 20.8	Open programme pre-masters	Revised Article 20.7 to allow students to replace disciplinary courses within the SBE pre-master instead of the open programme article. Removed Article 20.8 as a result of this change.
BSc	Appendix I Article 1	Transitional Regulations	The wording has been adjusted to include all types of courses. The distinction has been made in the cancellation of elective courses in which students have not obtained partial results yet.
BSc	Appendix I BSc-EER 21-22 Art 16.5	Transitional regulations BSc Business Analytics	<ul style="list-style-type: none"> Added the transitional regulations for EBC1043 and EBC1044 in Business Analytics. Added the transitional regulations for EBC2053 in the pre-master Financial Economics Added the transitional regulations for EBC2111 in the pre-master Human Decision Science
BSc	Appendix IV	Study Abroad Rules and Regulations	Added the Rules and Regulations of the Study Abroad requirement as an appendix to the BSc-EER.

CHANGES TO CLARIFY THE EER BASED ON EXISTING INFORMATION

BSc	Article	Topic	Remarks
BSc		Definition of terms	<ul style="list-style-type: none"> - Added “assignment” - Added “extracurricular activity” - Added “GMAT” in the definitions - Added “GRE” in the definitions - Added “partner universities” in the definition of terms. - Added “SBE council” - Specified the definition of the International Classroom requirement.
BSc	2	Applicability of the BSc-EER	Split the pre-masters into SBE Business pre-masters and SBE Economics pre-masters.
BSc	4.3	Rules of Procedure for examinations	Only referred to as available on MySBE intranet as it is not attached to the EER.
BSc	4.6 up to 4.13	Education and examination	Changed article 4.6 and 4.7 to article 4.12 and 4.13 respectively to streamline the BSc and MSc EER. Also changed all references to any of the shifted articles from article 4.6 up to and including 4.13.
BSc	4.14	Special examination regulations	Removed dyslexia as an example to be more inclusive.
BSc	5.2	Objection procedure	This article has been generalised, pending future changes.
BSc	6.4	No registration of results for exemptions	Modified the wording of this article to avoid any confusion with the term “No grades (NG)”. The regulations have remained the same as before.
BSc	16.5-16.9	Programme outlines BSc programmes	Included the learning goals of each BSc programme to each BSc programme outline.
BSc	18.1	Honours programme	Included the selection criteria for the Honours programme
BSc	18.2	MARBLE programme	Included the selection criteria for the MARBLE programme
BSc	18.3	International Case Competitions	Included the regulations of the International Case Competitions.
BSc	19	Open Programmes	Adjusted paragraph 4 as the BoE does not establish the requirements for the open programmes.
BSc	20.4-20.5	SBE pre-masters outlines	<ul style="list-style-type: none"> - Changed the articles to 20.4 SBE Business pre-master’s outlines and 20.5 SBE Economics pre-masters outlines. - Specified more clearly what the disciplinary courses are in the Business pre-masters and no mention of the disciplinary courses in the Economics pre-masters, to support Article 20.7
BSc	20.10	Admission to SBE Master	Split the article into admission into SBE Master’s programmes for SBE Business pre-masters and admission into SBE Master’s programmes for SBE Economics pre-masters.
BSc	21.1	Evaluation	Added the article from the MSc-EER (17.1) to streamline both EERs.

BSc	Appendix I	Transitional regulations BSc E&OR, BSc FE	<ul style="list-style-type: none"> - The order of the transitional has been changed, from old to new. - Removed all transitional regulations applying to 2021-2022, only kept the transitional regulations applying to 2022-2023 and later.
------------	------------	--	---

Additional change version SBE BSc-EER 22-23 version 02.22-23

BSc	Article	Topic	Remarks
BSc	Appendix I	Transitional regulations BSc FE	Correction of the course codes for Privaatrecht I. The transitional regulations remains the same, but a mistake in the use of the course code (EBC2128 vs EBC1050) is corrected.
